

Auxiliary Education Awards

Elizabeth Armstrong

Elizabeth Armstrong is a high honours graduate of Rothesay High School. She is currently completing her second year of the Bachelor of Science Program at UNBSJ, where she has achieved a cumulative GPA of 4.2. Elizabeth is an executive member of the Science, Applied Science and Engineering Society, and the recipient of notable awards for academic achievement.

Elizabeth is an active volunteer at the Saint John Regional Hospital. Her community service includes volunteering with the elderly at a local Nursing Home, serving as Nursery worker during Sunday morning church services and providing volunteer First Aid services during sporting events.

Besides her interest in the sciences, Elizabeth enjoys languages, music, competitive swimming, working with children, travelling and literature. Her long term goals include attending medical school to eventually become a pediatrician.

Carly Baxter

Carly Baxter is completing her fourth year of Bachelor of Science Program at UNBSJ where she has achieved a cumulative GPA of 4.3. Carly is actively involved as President of the Golden Key Society, Vice President of the Student Athletic Advisory Council, Athletic Representative on the Student Representative Council, member of the Student Volunteering Union and a peer mentor. She has played four seasons with the UNBSJ Varsity Women's Soccer Team and was named ACAA 1st Team All-Conference player and team MVP for the past two seasons. Over the course of her studies, Carly has received many awards and certificates, including the 2014 Graduating Student Leader Award, UNBSJ.

In addition to her activities at university, Carly is currently a mentor with Big Brothers Big Sisters, as well as a volunteer in the Pediatrics and the escort program at the Saint John Regional Hospital.

Carly will further her education at Dalhousie Medicine this fall and plans to specialize in pediatrics.

Katie Pizzey

Katie Pizzey is a high honours graduate of Saint John High School, and a recipient of the Duke of Edinburgh bronze award. She is currently completing her second year of the Bachelor of Nursing Program at UNBSJ. Having made the Dean's list last winter, she continued to achieve superior academic performance with a cumulative GPA of 3.9.

With a strong drive to help people, Katie is an active volunteer at the Saint John Regional Hospital, where she serves as a friendly visitor to the elderly and is also a mentor to children at

Hazen White – St. Francis School. The past two summers she has volunteered at a camp for children with life threatening illnesses; and has been a personal counsellor for a child with special requirements. Her long term goal is to be a pediatric nurse, working in a children's hospital with oncology patients.

In addition to her studies and volunteer work, Katie enjoys snowboarding, biking, music and working with children.

Chelsey Brown

Chelsea Brown is a high honours graduate of Belleisle Regional High School, with an Advanced French Immersion Certificate. She is currently completing her third year of the Bachelor of Science, Honours, Biology- Psychology at UNBSJ. She has been on the Dean's list the past two years and had achieved a cumulative GPA of 4.3. Chelsey is the Vice President of the Golden Key International Honour Society, UNBSJ Chapter and the recipient of many awards for academic achievement.

Chelsey is an active volunteer in Long Term Care as well as Pediatrics at the Saint John Regional Hospital. Her community service includes being a Go Girls Facilitator with Big Brothers Big Sisters of Canada; a Promise Partnership mentor at Hazen White – St. Francis School; an Event Planner and Peer Mentor with Best Buddies, UNBSJ.

She has taken the opportunity to broaden her education and to increase awareness of other cultures through participation in short term and field courses in other locales. Her long term goals include attending medical school and eventually specializing in Obstetrics & Gynecology.
